

GRADUATE NURSES FROM SUTHERLAND DISTRICT HOSPITAL

Following is a list of the 528 Nurses who Graduated on the date shown.

Despite when the State Examinations were taken nurses could not graduate until they were 21 years of age.

Grading of State Examinations commenced in June 1966.

Nurse training transitioned from hospital based training to university training from the late 1970's to 1984.

Transcribed by Dianne Cooper (Graduate Nurse November 1967) from hand written notes by Matron Beryl Bonfield and others.

This list is searchable using the search function of your browser. Just press the F3 key and enter a surname into the search box.

If you do not have a full sized keyboard you may need to press the Fn key as well as the F3 key.
